## PROFESSIONAL EXPERIENCE

---

### BERRY GLOBAL *Evansville, IN*

#### Digital Marketing Intern

July 2018 to Present

- Summarized steps to decommission, redirect, or examine 400 websites based on an analysis of the advertisement value of over 500 corporate domains using Google Suite tools.
- Collaborate with internal and external marketing and design teams to create strategies for updating and increasing user engagement through design, security, and online-data analytics.

### OPEN GARAGE *Denver, CO*

#### Full Stack Developer

February 2018 to September 2018

- Interpreted an entrepreneur's dream to connect people with a website, while evaluating design and strategy to construct the most effective product.
- Designed a unique user experience ranked above 90% by Google's Lighthouse audits using Angular, Firebase, and PWA standards.

### SOURCERER LLC *Evansville, IN*

#### CEO / Programmer

September 2016 to Present

- Founded and licensed an experiment, despite legal ramifications, guided by mentors in business and law.
- Formulate plans to effectively increase user comprehension of current events by comparing media perspectives in a mobile application hosted in a Firebase server.

### PARRENT PHOTOGRAPHY *Evansville, IN*

#### CEO / Videographer / Photographer / Designer

August 2016 to December 2017

- Demonstrated the value of Global Crossroads Multicultural Festival, before a year of quadrupled attendance, by capturing and editing promotional content in Adobe Suite.
- Strive to reimagine bounds of technology and produce outcomes attracting audiences to unique artworks with industry standard platforms: Adobe Suite, Angular, and Visual Studio.
